

ANNOUNCEMENT

Liu Huixian Earthquake Engineering Scholarship Awards in 2016

The Huixian Earthquake Engineering Foundation (China) and the US-China Earthquake Engineering Foundation (USA) are pleased to announce that about ten (10) Liu Huixian Earthquake Engineering Scholarship Awards are available in 2016. Applicants must currently be enrolled as a full-time master's degree or doctoral degree student in earthquake engineering or a closely related field. Applicants must be at a university or research institute in China, USA, Singapore, or a member center of the Asian-Pacific Network of Centers for Earthquake Engineering Research (ANCER).

Application materials should be submitted electronically to the Secretariat of the Huixian Earthquake Engineering Foundation by June 30, 2016.
