Register today for 10NCEE at www.10ncee.org

The Earthquake Engineering Research Institute (EERI) invites you to attend the **10th U.S. National Conference on Earthquake Engineering** (10NCEE) held July 21-25, 2014 in Anchorage, Alaska.

10NCEE will bring together more than a thousand earthquake risk reduction professionals from the U.S. and beyond. Over 800 papers and presentations from experts covering issues critical to earthquake engineers, scientists, policymakers, and disaster mitigation professionals were accepted.

Join EERI this July in beautiful Anchorage, Alaska for 10NCEE to:

- Commemorate the 50th anniversary of the M9.2 Great Alaskan earthquake and tsunami
- Network with **your colleagues experts** in the fields of structural, geotechnical, and lifelines engineering.
- Enjoy scenic **technical tours** around Anchorage, organized by the local organizing committee and EERI members.
- Experience the exciting **EERI 2014 Student Seismic Design Competition**, which continues to grow every year.
